## ~HEALTHY CHOICES WEEK~

*Week of October 23 – October 27, 2023*

Red Ribbon Week will be celebrated at JFS from Oct. 23 – Oct. 27, 2023. Red Ribbon Week has been celebrated nationwide since 1986 in honor of a Drug Enforcement Agent who lost his life in the fight against drugs. To honor this heroic agent, and to demonstrate their commitment to drug and alcohol prevention, family members and friends began wearing red ribbons. Since that time, the National Family Partnership has adopted this week to raise awareness about keeping children drug-free and leading a healthy lifestyle.

\*During the week, students will participate in school-wide Red Ribbon Week activities to include: trivia, Falcon Families, dress-up days, and review healthy living in various JFS Specials. In addition, healthy and safe technology guidelines will be presented at all grade levels with Mrs. Memoli and Mrs. Nutting (grades 4-6 will also have our SRO Brandon James help present tech safety).

### Help JFS Celebrate RED RIBBON SPIRIT WEEK:

#### Monday 10/23 "Team Up Against Drugs" Day

- Students are encouraged to wear their favorite sports shirt and/or hat (this can include local teams) to show their pride in a healthy lifestyle.
- Students will have their first Falcon Family meeting today. All students are placed in small advisor teams and participate in activities throughout the year.

#### Tuesday 10/24 "Red Day"

- Wear **RED** to celebrate Red Ribbon Week...let's try for 100% school participation!
- JFS falcons pledge to make healthy choices.

#### Wednesday 10/25 "Wacky Wednesday" Day

- From head to toe, I am drug free!
- Students can plan to wear mix-matching clothes, socks and/or wacky hair.

#### Thursday 10/26 "Look Alike" Day

- Friends can help friends make great choices!
- Join a group and dress alike to show unity in healthy living.
- Or you can join Mrs. Memoli and Mr. Olson and dress in plaid and sunglasses if you would like to dress like us!

#### Friday 10/27 "Pajama" Day

- Your healthy choices are the key to your dreams!
- Students should plan to wear pajamas or comfy clothing today.

# LIBRARY

October  
newsletter

## MAKERSPACE

Did you know the library doubles as a Makerspace area for many of our learners? Makerspace involves thinking creatively to solve problems and learn from one another. This month we've focused on building challenges and working together.

## Conway School District's **Project SUCCEED**

Dear John Fuller Families,

October has brought us some great opportunities to learn about a variety of new things. Mount Washington Observatory's Junior Weather Observers has been teaching students about how to use weather measurement tools and basic meteorology. Mr. Cooney wrapped up another great rotation of Mountain Bike Club, and our students will have the opportunity to get some basic, safe, Okuno-Ryu Karate instruction starting this upcoming Tuesday, with Christina Solomon. Our Chess Club with Dr. Judith Preston has also given our students the chance to learn Chess on a deeper level and our participating students are loving it.

A quick reminder for folks; Project SUCCEED is not a drop in, drop out as you like program. The above mentioned enrichment activities, as well as the others, require a lot of logistical planning and forward thinking. In short, we are trying to create meaningful learning opportunities for your child, through the lens of play and it makes it difficult to account for students who are dismissed early, or decide they do not want to participate on a given day. Please let me know if you need a different schedule arrangement, I am happy to reconfigure if you feel like you need a change. Here are a couple of great snaps from our first few months, have a great weekend

# JFS PTO UPDATE

Brittany Hodge | johnfullerpto@yahoo.com

Hello Fellow Falcon Families ~

The PTO has been hard at work getting ready for the Trick or Treat Event and other upcoming events. I want to extend a very large THANK YOU to all the volunteers who have signed up over the last few weeks to assist with the event, and all the families who have donated candy. We truly cannot do the things we do without your support!

A few more thank you's go out to the family who donated \$500.00 to the PTO at Open House, and to Meredith Village Savings Bank & Merrimack County Savings Bank who honored the JFS PTO as a recipient to their Jeans Day fundraiser where they raised and donated \$175.00 to us. These will be put towards purchasing any candy we may still need for the Trick or Treat event and towards are next big event ~ The Scholastic Book Fair.

The Meadow Farms fundraiser has gone very well so far, thank you to all of those who have participated. At the time I am writing this letter, 10/19/2023 we are up to \$1,105 in sales. This will end on 10/23/2023 so there is time for one last weekend push to family and friends for their support. Great job so far everyone! Next event will be the Scholastic Book Fair. The students will have time between 11/06 and 11/08 to preview the event and work on their wish lists. The shopping day for the fair will be 11/09 before or after your scheduled student led conference time with your student's teacher. The PTO will be using our to funds to purchase one book for each student up to an \$8.00 value so that every student may participate in the fair. Anything additionally sold will be converted in to Scholastic Dollars at the end of the fair and be used to purchase books for the classrooms and library. We are able to do this because of all of you and the support and kindness that you show to the PTO. So, another big THANK YOU to you all!

# ODYSSEY OF THE MIND

## SEEKING PARENT COACHES

for JFES Odyssey teams!

***Odyssey of the Mind is a creative problem-solving competition that empowers kids and teens to take the lead in creating unique and collaborative solutions to the challenges they are facing.***

This school year, in partnership with the Conway Public Library, John Fuller Elementary School will be putting together it's own Odyssey of the Mind team!

Jeff Beavers, Assistant Director of the Conway Public Library, will be visiting 4th and 5th grade students during their library Makerspace classes on October 20th to talk more about Odyssey and let students get hands-on with their own creative problem solving skills.

***Keep an eye out for an OM interest form coming home with your student!***

### INTERESTED IN COACHING A TEAM?

Parent volunteers are needed to (co)coach an Odyssey team at JFES this school year.

As a coach, you will help guide up to 7 students in developing creative and critical thinking skills, and learn to solve difficult problems in a team environment while allowing all ideas and solutions to be the students' own.

Odyssey is an entirely kid led process, meaning the role of the coach is simply to help guide their team to a solution to their problem. *No experience necessary, training is provided!*
